# Faith that OVERFLOWS

Having faith that overflows is like having a super exciting and contagious energy that spreads everywhere! Just picture a river rushing downstream or a fountain shooting water high up into the sky—that's the kind of faith we're talking about—bursting with excitement, overflowing, and touching everyone around us.

As we dig into our time together this summer, we'll see faith not as something boring or stuck in one place, but as a powerful and active force that pushes us to do good things, inspires others, and creates a chain reaction of love and kindness in our communities.

**Come along as we take on the challenge of living a faith that's unstoppable, catches on like a bubbling wave, and is filled with God's never-ending love and strength.** We can't wait to have you join us this summer at one of our beautiful sites, to pause, reflect, and experience an amazing community with our staff and with each other.

**At Green Lake Lutheran Ministries, there is something for everyone, and we are eager to show you what we have been preparing for you!** Are you excited to explore and live out a "Faith that Overflows" with Green Lake Lutheran Ministries this summer, in your life and in the world? Let's go on this adventure of faith, growing stronger every day, and sharing God's love with everyone we meet!

***See you at camp!***
