

Congregational Meeting Minutes September 14, 2025

BOA President Brian Munsterman called meeting to order.

- Background and purpose of this meeting: Historically we have usually had two pastors at St. Philip's. After meeting in small groups with members of the congregation over the last couple months to discuss options for another pastor, the general consensus is we should have a part-time associate pastor and a visitation pastor in addition to Pastor Matt.
- Reminder to members that we need to commit to increasing our giving in order to afford the part-time pastor's salary.

The Board of Administration brought a motion to have the congregation authorize a call committee to seek a candidate for a part-time pastor.

Motion was seconded and passed.

Six people have volunteered to be on the call committee: Dana Rebelein, Dianne Lundeen, Jim Kugler, Michael Hurley, Jake Caswell, and Luz Gutierrez-Broden.

A motion was made to accept the volunteers for the call committee as presented. Motion seconded and passed.

Meeting closed at 10:20am
