Personal Invitations

Matt Flom, Pastor

19 Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit 20 and teaching them to obey everything that I have commanded you. And remember, I am with you always, to the end of the age."

Matt. 28:19-20

Dear Sisters and Brothers in Christ Jesus,

Grace, love, and peace be to you from God our Father and our Lord and Savior Jesus Christ. St. Philip's has been a big part of many peoples' lives. Many of the folks who are members here tell me stories of weddings, baptisms, funerals, garage sales, Bible programs, music, fellowship, and so much more. St. Philip's is where they raised their families, made lifelong friends, and where they connected with God. The stories people tell me are wonderful and often inspiring. I hope people keep telling me their stories, but I also hope they tell others. Do your neighbors know why St. Philip's means so much to you? Do your friends know all the great opportunities there are here? Does being a part of St. Philip's fill you with enough joy that you might even invite an acquaintance; maybe even a stranger?

The life of being a follower, or disciple, of Jesus is a life of sharing the good news. There are too many good things going on at St. Philip's to keep it a secret by not sharing them with others in our lives. I'm assigning some homework for the fall. We all need to make a list of 3-5 people who don't have an active church home. Pray each day that the Holy Spirit would help them to find the church where God calls them to be a member. Then when the Spirit moves you, invite them to a concert, social event, service opportunity, or a worship service. Offer to pick them up and bring them. A large majority of unchurched people report that they are open to personal invitations. Be their host while they're here and follow up with them on how the time here went for them. If you can, introduce them to members of the Welcome Team (new member team).

I've made my list and it's in my pocket. I've already started praying for them. Let the Spirit guide you in helping others to find the joy you've found here at St. Philip's.

God's Peace,

Pr. Matt

A New Title...Same Mission

Connie Yerigan, *Director of Faith Formation*

Let the teaching of Christ and His words keep on living in you. These make your lives rich and full of wisdom. Keep on teaching and helping each other. Sing the Songs of David and the church songs and the songs of heaven with hearts full of thanks to God.

Colossians 3:16

Over the years, I have been so blessed to serve as the Director of Children, Youth and Family Ministries here at St. Philip's. This fall, my title has been updated to Director of Faith Formation, and I'd like to share what that means and some of the exciting changes that come with it.

Faith formation is the lifelong process of growing as followers of Jesus. It's about more than classes or programs...it's about building relationships, asking questions, sharing our gifts, and deepening our walk with God together. My role as Director of Faith Formation reflects the truth that ministry here is not limited to one age group; it's about creating opportunities for people at every stage of life to grow in their faith.

I will continue leading our children, youth, and family ministries, but my role is expanding to include young adult ministry as well as our 55 and under group. These areas will allow us to provide more ways for people to connect, serve, and grow in community. I'll also continue to manage our church's website, app, social media presence, and digital media creation, helping us share our story and keep our community connected both inside and outside our walls.

As we begin the upcoming program year, my heart is full of excitement and gratitude. We have wonderful opportunities ahead to learn together, serve our community, and experience God's love in new ways. I count it an incredible honor to be part of your lives...to celebrate, to walk alongside you in challenges, and to grow together in faith.

Thank you for your support, prayers, and encouragement. I look forward to all that God will do through us this year!

Changing of the Seasons

Brian Munsterman, President

October is here. Why do seasons seem to change so quickly? Where has the year gone? The beauty of the leaves changing color, farmers harvesting their crops, crisp mornings and cooling weather, the wonderful smells of baking season, pumpkin spice, and Halloween. These are the things that come to my mind when I think of fall. That also means goodies to eat, hot chocolate and cider. The beauty of the changing of the seasons. God shows us that change is new and refreshing. We are continuing to change at St. Philip's. And change can be good. The congregation voted to form the call committee to call a half-time pastor. That is one change that is needed to help relieve Pastor Matt and to help our ministries grow. Our stewardship campaign will be starting soon, and we will need to prayerfully consider our giving for next year. The St. Philip's Disaster Relief team just came back from another successful trip. I find it so amazing how much work they put in for such a great cause. With the end of the month being Halloween, I wish everyone a spooktacular time and wonderful treats!

BOA Meeting Summary

BOA Meeting minutes can be found on the community board in the hallway by the office.

- Members of the Scouting America (fka Boy Scouts of America) troop that meets at St. Philip's gave a wonderful presentation to the Board, including a word of thanks for SPLC support.
- Mike gave an inspirational devotion with the quote "the enemy of faith is not doubt, but certainty." Some doubt is good, because if we are too certain and set in our ways we'll miss opportunities for growth and change.
- We had a good discussion about the 2026 budget/plan for spending. Discussions will continue.

Meals on Wheels

It was Rally Sunday and the beginning of our week delivering Meals on Wheels! These are the special folks who rallied to deliver the meals! A huge thank you to: Monica Anderson, Renee & Mike Youngberg, Cathy Challman, Mary Paul, Chuck & Cathy Eichelberger, Nick Pungratz, Linda Benson, Wanda Benson, Greg & Claudia Potasek, Sandy & Eldy Nelson, Steve Ess, Jennifer & Ron Prasek, Mike & Deb Carroll, Mary & Rob Shimanski.

Fall Cleanup

We invite all members to join in cleaning up our campus on Saturday October 11 from 8:00 am – 12:00 pm. This is a great way to meet new people of all ages! We will be trimming the hedges along the office, removing the dead bushes along the Narthex (Door 1) and removing overgrown trees along the lake. Bring your gloves, clippers, and any tools you think will help. Make sure to label them. All are Welcome! Hope to see you there!

8th Anniversary

Food & Clothing Shelf

In the past eight years we have had 10,182 visitors to our Food & Clothing Shelf. We have distributed a staggering 297,443 pounds of food and 30,677 pounds of clothing. At the request of Pastors Christine Wenzel and Molly Dvorak, we began operations in Room 4 on September 11, 2017. In December of the same year the Board approved Rooms 11 & 12 so we could have a room for food and a separate room for clothing. We operated five days a week until the COVID virus caused us to close. When we were able to open again, we began serving curbside pre-selected food bags. During that time, the Board approved Rooms 16, 17 & 18 to allow us to expand both food and clothing selections. When we reopened, Rooms 16 & 17a became the food rooms and 17b & 17c became the clothing room space. Room 18 is used for incoming clothes, sorting, and tagging. Since then, we've been open three days a week. Tuesday and Friday from 10:00 - 11:30 am and Wednesday 5:00 - 6:30 pm. The following group of people have made all of this happen by giving of their time to support this ministry through the past eight years. We owe them a deep sense of gratitude for their continued work to make this all happen. And of course, we could not have done all of this without extremely generous financial support from members of the congregation. We have received help from numerous grants that have provided two freezers, two refrigerators, a computer and printer for logging in guests, signage, and literature racks. And we are blessed to have a fantastic St. Philip's Garden Group that supplies us with summer produce.

Fall Trip & 20th Anniversary St. Philip's Disaster Relief

Under the guidance of Tennessee-Western Kentucky Disaster Recovery of the United Methodist Church (TWKUMC), a 26-member SPDR team spent a week in mid-September in Dyersburg, TN, located about 75 miles north of Memphis. The area around Dyersburg experienced tornado and flood damage during the past two years. Many dwellings needed repair. Watch for more information concerning this, the 87th trip of the SPDR Ministry, in the weeks to follow.

2026 will be the 20th anniversary of the SPDR ministry. A historic timeline is being developed and is starting to be displayed, currently 2006 to 2011, on the church office hallway. Stop by and take a look and continue to do so in the coming months for additional years to be posted.

Last Letter from Jim and Carol Sack

This will be the last newsletter from Jim and Carol Sack, as we have finally officially retired from being missionaries with the ELCA on July 31, 2025. Our journey began in September of 1982 when Jim graduated from Luther Seminary and was ordained earlier in June of that year. Carol and Jim both accepted a call to be missionaries in Japan.

After arriving in Japan with our 10-month-old son Jonathan, we began two years of Japanese language studies in Tokyo. Those days were filled with many challenges, exciting learnings and a continual life of blessing given to us by God. We were then assigned to go to Saga, in western Japan, where the Lutheran Church began. We served there for four wonderful years and had the opportunity to be part of establishing "Rainbow House," a bakery for the mentally and physically challenged children in Saga. Rainbow house still exists and has expanded to now include a home where up to 9 children can live and work. This gives these children meaning in their lives and provides some income for them. We are thankful to God that this ministry is going full steam ahead.

Our daughter Bethany was born in Saga. Soon after that Jim was asked to return to the States for further study in counseling, so that he could teach at the Japan Lutheran College and Seminary. After spending four years at Luther Seminary again in St. Paul, we returned to Tokyo and Jim became director of the "Personal Growth and Counseling Center" at the college/seminary. He also taught for 33 years (1992-2025) at the undergraduate school, the graduate school and the seminary in the areas of Clinical Psychology and Pastoral Care and Counseling. Our youngest, Emily was born in the States just before our return to Japan in 1992.

Later, from 2000 until 2002, Carol was provided the opportunity by the ELCA to study Music Thanatology in Missoula, Montana. Upon returning to Japan once again, was asked to start a program for training of Japanese in the area of using voice and harp at the bedside of the sick and dying. The 2-year program was called Lyre Precaria, and she trained 38 students over a 12-year period (six 2-year classes.) Five of her graduates are now teaching others themselves and the ministry of Pastoral Harp is expanding in Japan.

Even though Carol and Jim were in different areas of ministry, for the last 10 or 15 years or so their paths crossed again and they often worked and taught together in the area of "End of Life." They dealt with death and dying, grieving, as well as ministry to the dying and their families.

We have decided to remain in Japan after retirement and have purchased a very old traditional Japanese thatched-roof farmhouse in Nagano Prefecture. It has taken 2 ½ years to reform the 150–200-year-old home. They will be doing some farming in their later years of life.

GROW & SERVE

We want to thank you all for your many, many years of supporting us as missionaries here in Japan. Some of our congregations have been with us since 1992, over 40 years. WOW, what dedication and generosity we have been privileged to receive. From the depths of our hearts, we want to thank you all for making our ministries in Japan a possibility!

We certainly have been continually blessed by God through our relationships with you all. Hopefully some of you will think about having a new missionary to sponsor in the future. It is only by being "sent" that missionaries can have ministries throughout the world.

Once again THANK YOU, and may you be supported and blessed in your lives, by our gracious God.

Many blessings, Jim and Carol Sack

October—December Projects

Benevolence Committee

The fall season is a busy one for the Benevolence Committee, with several projects being held. Here is a list of what we will be doing from now until the end of the year. This will give you an opportunity to choose how you use your donation dollars.

- * October - Coats for Kids provides coats to Hayes Elementary, North Park Elementary, Fridley Middle and Fridley High Schools. If you would like to donate to this project, indicate Coats for Kids on the memo line of your check or when you give on line.
- * November - Thanksgiving - We provide Walmart gift cards to 50 families in need of assistance. A giving board will be in the Mission Corner in early November.
- * December - Christmas Shoppe - Our goal is to provide 150 children with a Christmas they may not experience otherwise by allowing parents to choose 2 gifts for each of the children at our Christmas Shoppe the second Saturday in December, Christmas Trees will be in the Mission Corner just prior to Thanksgiving.

We hope you will join us by donating to any of the above projects. There is need in our community and we can help. Thank you for your support

Trunk & Treat 2025!

Halloween is just a few short weeks away, and that means it's almost time for the annual St. Philip's Trunk & Treat event. We will again host a safe trick or treat experience right here at the church for our members and neighbors to enjoy. The event will be held in the west parking lot on Friday, October 31 from 5:30 - 7:30 pm!

You are invited to join in the fun by signing up to decorate the trunks of your cars and the tailgates of your trucks in Halloween fashion! Kids and their families will walk the large oval of decorated vehicles, as they safely trick or treat the night away! We would love to have you join us by decorating your "trunk" or donating a bag or two of individually wrapped candy for the event.

Please share this event with others. All children and families are welcome. We hope to see you there!

Heritage

Heritage Group

Fall has arrived, Rally Sunday has come and gone, and Heritage like many other groups within St. Philip's is back to meetings and projects. Some of the upcoming projects for Heritage include:

Slides – Finish sorting and have a viewing party to help identify people and events. Let us know if you are interested in participating.

Photos – Finish sorting and invite the congregation to help identify who is who. We may use the bulletin board or articles in the monthly Friend.

Heritage Bulletin Board – Watch this space for another episode in the history of St. Philip's.

New Member Bulletin Board – We will continue updating photos and names of new members. This is an excellent way for current members to help welcome those new members.

Member Files – Assist the office in clearing out files of transferred and deceased members. Files pulled are kept in the Heritage room.

Questions & Requests for Information – Occasionally the office receives questions from former members regarding their time at St. Philip's.

ELCA Congregational Archives - One of our projects will be to contact the ELCA to get their take on our progress to date. It has been ten years since Paul Daniels from the ELCA Congregational Archives and History contacted St. Philip's, encouraging us to start organizing and preserving our history. We are thankful for the guidance provided by Linda Bjerke, Chairperson of the Archives Committee at Normandale Lutheran Church. Members of the early Heritage group - Arlene Hamernik, Grace Kurtz, Dick Lekang, Thelma Nash, Marlin Sorum, and Ron Seekamp - took on the assignment to review, organize and catalogue the important stories of this place. We miss those who are no longer part of the group but see the results of their hard work and appreciate their dedication. We especially miss Arlene's guidance and organizational skills. In cleaning out her house, her family found and shared with us files containing past newsletters with items circled and notations reminding her to "bring this to Heritage".

Preserving the history and heritage of St. Philip's is so very important. Future generations need to know about the dedicated men and women who worked together to create the organization that we know today, and they must be encouraged to participate in the current and future history.

Scripture emphasizes the role of heritage in shaping identity and moral values, underscoring the importance of teaching these principles to future generations.

"We will not hide them from their children but will declare to the next generation the praises of the Lord and his might, and the wonders he has performed." Psalm 78:4

We welcome anyone who is interested in joining the Heritage Group. Meetings are held at 2 pm on the 2nd Tuesday of every month. Work sessions are at 9 am on the 1st and 3rd Tuesday.
